After a week off followed up by a live broadcast from the Sacramento Indie Arcade Gaming Expo, the cast of OLR has a lot to talk about at the top of the show this week. There's always a game or two to be found when traveling, and Rob shares some of the impact his Tucson trip had on his gaming week. We talk a bit about the gaming expo as well, and also get into Miitomo fever and how it seems to be taking over our social media feeds. Of course, not ALL of us have caught Miitomo fever yet...
