It's that time of year again, the lead into E3, where we are sure to get many new surprise game announcements. Since the conferences start so early this year and will cut into our show next week, we make some early predictions about the first to show their lineups for the year. We discuss the additional information that Sony and Nintendo drop about what they have planned for E3, and discuss the other events in gaming this week.

Also in the news:

* Allison Road Canceled

* Some Steam Games can be brought into GOG

* Nintendo and Vans Partnership

* Metal Gear Solid 3... Pachinko Machine

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
