Metroid turned 30 this week, and we take some time to reflect on some favorite Metroid memories at the top of our show tonight. Also in Metroid news, the fan community was gifted with a fan-made remake of Metroid 2 in Super Nintendo style. You know Nintendo has already tried to shut this down, but will they really be able to make this disappear from the internet? We get into all the news this week with our guest Shane, who you know always has something to say about Pokemon...

Also in the news:

- * New Mario and Pokemon to launch when NX does?

- * Overwatch Season 1 end date

- * No Man's Sky server resets & patch

- * Bioware forum shutdowns

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
