

Pokemon Worlds happened this weekend, and Rob as well as frequent guest host Shane went to do what they could without a badge- spend money! We talk a bit about watching competitive sports such as Pokemon Worlds, and share some arcade gaming stories also from the trip. Then we get into the week's news which includes some updates to No Man's Sky, and some confusion that has come up on one system's refund policies as a result.

Also in the news:

- \* Another NX Design Patent

- \* Pokemon Go Bans

- \* Facebook gaming platform

- \* PS4 slim

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
