---

It's a landmark-of-the-beast episode of Orange Lounge Radio we never thought we'd actually hit- Episode 666! We take a minute to reflect on the history of our show and what it's meant for us as well as the listeners, then get into our gaming weeks, which has included some Pokemon! And speaking of Pokemon, a new rumor about the Nintendo Switch suggests that Pokemon could be getting a proper console release with the Switch! There's a lot of Switch rumors out there, but one thing that's definitely NOT true is beta invites, so look out and don't be fooled!

Also in the news:

- \* Super Mario Run release detailed

- \* Persona 5 Delay

- \* Nudity in Watch Dogs 2

- \* Swapdoodle now on the 3DS

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
