The SNES Classic mini has arrived. Although overall it seems like the launch has been smoother, there certainly has been some issues, as one of our callers dives into tonight when we take calls from our live participants. We also talk about the SNES classic and why some of us want to collect it, and others don't see the need to own one. There's plenty of gaming news to go around covering new consoles and things that AREN'T 25 years old as well.

Also in the News:

- * Wii Shop Channel to close in 2019
- * Voice Actor Strike reaches a tentative agreement
- * PS3 Emulator gets DMCA Takedown
- * Ataribox
