Our hosts are "unplugged" this week due to family obligations, but we take an opportunity to get caught up on the latest in cinema (with the release of Ready Player One) and of course, what we've been playing this week. From Pinball to Pokemon, we catch up with our varied gaming styles from around the board. Then we get into some news and of course, the classic game of the week!

Also in the news:

- \* Puzzle Fighter rating indicates console release

- \* Dragon Quest XI details

- \* Ikaruga gets rated for PS4

- \* World Video Game hall of Fame

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern [www.vognetwork.com](http://www.vognetwork.com)
