On this special episode of Orange Lounge Radio, E3 week is already underway as we broadcast live on Sunday Night. Our hosts recap the EA and Microsoft press conferences with thoughts and reactions, and then we pause the show to watch what Bethesda has to say together. Once we return, we talk about this and other news throughout the week including thoughts on what we hope to see from Sony and Nintendo in the coming days.

Look to the VOGNetwork Discord and our social media channels for the "bonus" live commentary track for Bethesda's conference if you are interested.

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!

LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
