During this time of people staying at home, how are we staying fit? Sure a little sunshine helps, but video games can help supplement that too. Beat Saber releases a free new track to help people work out, and we discuss other stay fit ideas that involve games. We get into the news of the week, and discuss our gaming weeks as well which include continued impressions on the Final Fantasy 7 Remake, and the pop culture juggernaut that is Animal Crossing!

Also in the news:

- * Sony making fewer Playstation 5's at launch?
- * Facebook dedicated gaming app
- * Nintendo Switch Firmware Update
- * ESRB finally adds Loot Boxes (Random Items) to labels

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio! LIVE on the VOG Network, Sunday nights at 6 Pacific, 9 Eastern www.vognetwork.com
