A new update coming to Pokemon Go will raise the level cap higher to keep the adventure going longer, but is there really a point to the levels beyond level 40? We discuss these changes, as well as talk about continued news with the new console generation. How are current gen games running on Playstation 5 vs Xbox Series X? Why do we feel the need to constantly pit consoles against each other? We discuss all this and more on another week of the show where every gamer has a voice!

Also in the News:

- * Cyberpunk 2077 makes changes for potential DMCA issues

- * Doom Eternal on Switch Update

- * Animal Crossing Fall Update

- * Game Award Nominees
