It was a week full of indie announcments, as Nintendo gave us another Nintendo World full of new indies (including some releasing NOW), and Microsoft giving us an ID@Xbox event. Are we playing indies, or the same ol' AAA games in our gaming week? Tune in and find out on another episode of Orange Lounge Radio!

(Sorry for the delay in posting this weeks show, there was a technical issue during the live broadcast we were able to edit around!)

Also in the news:

* GTA Remaster... again

* Hellraiser to come to Dead by Daylight

* PAX Australia Cancelled

* Nintendo Threatens ROM Site

All this and more on the show where EVERY gamer has a voice-- Orange Lounge Radio!
