The Activision/Blizzard merger with Microsoft has been great for one thing, and that's leaks and statements from court documents! It appears all NDAs are off the table when it comes to topics like the Playstation 6, true feelings about the Battlefield franchise, and much more. Could the government be stepping in to try and stop this merger? Only time will tell for sure. A lot of time. We get into this and much more news on another week of Orange Lounge Radio!
